Dear Elders and families:

On behalf of Sherbrooke and Central Haven, I want to thank you for your continued support during this very challenging time. We remain free of any Covid-19 cases at both Sherbrooke and Central Haven and are proud of the work of our staff and Elders to keep our communities safe and healthy.

We wanted to make you aware of a couple of creative options to show your loved ones just how much they mean to you.

For Mother's Day this weekend, local florist Michelle LaPointe has generously offered to give all Sherbrooke and Central Haven families a 20 percent discount on flower orders. There are two ways to place an order. The first is to call Michelle at 306-651-3444 and mention that you are a Sherbrooke or Central Haven family member. The second is to place your order online at [www.michellesflowers.ca](http://www.michellesflowers.ca) and use the discount code SHERBROOKE20. Michelle is using every precaution to keep her studio sanitized and is wiping down every vase and container prior to delivery. We thank Michelle for her kindness and generosity.

The second option comes from our friends at Earl's Pharmacy. Every day, their staff delivers medications to Sherbrooke and Central Haven for our Elders. They also have the ability to deliver non-drug items, such as candles and giftware, to our homes. If there are specific items that you would like delivered to Sherbrooke or Central Haven, such as lotions or hair products, please contact Earl's at 306-244-1531 with your request. As Earl's Pharmacy Manager Michelle Tardivel told us today, "Let us know, we are up for the challenge!"

We know one of the biggest challenges of this pandemic is not being able to visit your loved ones in person, but we hope these two options will give you the chance to show them how much they mean to you.

Thank you for your continued understanding and support as we continue to keep our Elders and staff safe and healthy during the pandemic. Don't forget to check our website and Facebook pages daily for the latest stories and information from Sherbrooke and Central Haven.

Kindest regards,
