Creates a community that supports each person to live a full and abundant life.

Dear Elders and families:

On behalf of Central Haven, I want to thank you for all of your support and understanding throughout this challenging time, and I am happy to report Central Haven remains free of Covid-19 cases.

As of July 7th, the Saskatchewan Health Authority, has released guidelines that support each long-term care home resident to designate two visitors for indoor visits based on the home's capacity to accommodate visitors and maintain the ability to follow the Public Health Orders.

Each Elder may designate two visitors. Families are required to complete and return this contract (which is attached to this email) with signatures of the two designated visitors and contact CentralHavenVisits@saskhealthauthority.ca or the community clerk at 306 844-4030 to book an indoor visit.

We have been working hard creating guidelines that will keep you, the Elder and our staff safe during your visit. These guidelines include answering screening questions when you enter our building, performing proper hand hygiene, wearing a mask throughout your visit (you will be provided a medical-grade mask), staying in the Elder's room for the duration of your visit, and agreeing to abide by the safety rules.

All of these guidelines are explained in this video from our Manager of Learning and Growth, Robin Kitchen. Please watch this video **prior to** your first visit to Central Haven. Please note that although Robin filmed the video at Sherbrooke, all of the guidelines she explains apply to Central Haven.

Visiting hours at Central Haven will be from 10 a.m. to 4 p.m., Monday to Friday. Visits will begin on Monday, July 13th.

Please be patient with us as we launch this new development to ensure safety for all. We are excited to offer these meaningful visits and we thank you in advance for your dedication in

following the guidelines to keep our Elders and staff safe. Don't forget to check our website and Facebook page for the latest information from Central Haven.

Kindest regards,
